MINDWARE's Indian Regional Service Program enables users to protect their investments and ensures barcode printers are always in working condition. In this program three types of service are provided: **On-Site Service, Return Printers to Mindware and Return Parts to Mindware. The Service Program is an extension, or enhancement, of the original factory warranty.** With the same coverage, you can choose to extend the service based on the standard factory warranty with different time frame to protect your printers for more years. To have a top-to-bottom, inside-out preventative care of your investments, Comprehensive Warranty is the best choice.

One Program, Flexible Options

Our Indian Regional Service Program provides a set of pre-determined, fixed cost services and support throughout the years to keep printer in proper working condition by planning and budgeting all the service needs. We offer a full line-up contract duration of up to five years to enhance the protection. We recommend to choose and purchase the right service at the time the printer is purchased. This way, you can enjoy the selected service at value price.
